24 EXCLUSIVE AND

SELECTED FLAVOURS

With the Classic menu you will be able to offer:
6 classic teas, 6 green teas, 6 fruit infusions,
6 herbal infusions including 12 from organic cultivation.

Classic Tea

- 

1 - English Breakfast BIO

Strong blend of Indian organic black teas, caressing and full-bodied.
- 

2 - Rooibos Vanilla BIO

South African delicate red infusion, exalted by the sweet and delicate notes of vanilla beans.
- 

3 - Rooibos Classic BIO

Refined infusion, called red bush, naturally free from caffeine.
- 

4 - Lemon Tea BIO

Lemon flavoured black tea, grown according to organic agriculture principles.
- 

5 - White Tea

White tea is the most refined and prestigious tea in the world with its softness and its full-bodied round taste.
- 

6 - Red Fruit Tea

Harmonious blend of Indian black teas with an intense and fruity aroma.

Green Tea

- 

7 - Classic Green Tea BIO

Amazing green tea grown in the area of the Nilgiri plateau according to the principles of organic agriculture.
- 

8 - Mint Green Tea BIO

Indian green tea flavoured with natural essences of mint, grown according to organic agriculture principles.
- 

9 - Jasmine and Vanilla Green Tea

Blend of the best high grown teas, enriched with jasmine flowers and vanilla beans.
- 

10 - Masala Green Tea

Indian flavoured green tea, made from the union of green tea with a unique herbs and spices blend.
- 

11 - Citrus Green Tea

Exceptional blend of green Indian tea with sparkling and citrus Mediterranean notes.
- 

12 - Earl Grey Green Tea

Blend of the best high grown teas scented with bergamot flavour.

Fruit Infusion

- 

13 - Ginger and Lemon BIO

The spicy notes of ginger, great digestive and relaxant for abdominal muscles, meet the freshness of the citrus ones.
- 

14 - Mediterranean BIO

Hibiscus and rosehip infusion, perfect for its anti-inflammatory, digestive and depurative properties.
- 

15 - Wild Rose BIO

Organic rosehip infusion, with tonic properties, enriched with lemon notes, to enhance a long lasting pleasure and well-being.
- 

16 - Wildberries

Warm and intense forest fruit infusion, rich in antioxidant and in anti-age vitamins.
- 

17 - Red Fruit Infusion

A red fruit taste infusion, excellent to reduce cholesterol and to burn fat mass.
- 

18 - Tropical

Infusion extraordinarily fragrant, with a velvety taste rich in fibers and vitamins.

Herbal Infusion

- 

19 - Digestive BIO

Flavouring organic herbal tea with fennel, hibiscus and ginger: refreshing, intensely rich in minerals with digestive and depurative properties.
-
